Nailsea Club Semi-finals will be 21/22 September and Finals 5/6 October (with some matches on the preceding Fridays if necessary)

I understand that for **all** Nailsea competitions, if anyone qualifies for a Semi-final or a Final and is unable to play the match on the designated weekend then he/she will be replaced by the player knocked out by that player or the player ranked next (blocks). In the case of Semi-Finals, matches may be played before Semi-finals weekend if both sides agree. Players who are unavailable because they qualify or are invited to take part in CA or WCF events are exempt from this ruling.
