

Nailsea & District Croquet Club

Application for Beginners' Coaching Course 2024

If you have enjoyed your taster session and would like to apply for a place on one of our beginners' courses, please complete this form and return to us as soon as possible.

We may have a waiting list for these and places will be allocated according to the date you first contacted the club.

The fee is £60 for five 2-hour lessons. Please do not send any money at this stage – you will be invoiced when we are in a position to make a firm offer of a place to you.
